

Arrival - be comfortable - relax

Our hotel was built in 1993 as the first private hotel in Forst. We used our own designs and the last capital investments were in 2015. Here you will find a familiar guided house with a nice ambience in a calm, central layer.

Our hotel is adapted for traveling salespersons, tourists and parties. In our hotel you will get a comprehensive gourmet breakfast and also half board or full board if you wish for it. Our restaurant with garden terrace is daily opened. Cyclists and parties are very welcome.

Our comfortable and lovingly arranged rooms have showers, toilet, safe, hair dryer, beauty culture mirror and some cosmetics. In Hotel Haufe you sleep in modern "Box Spring Beds" only. In some rooms we have massage chairs. The internet is for free.

After agreement you can use the sauna with costs. In the first floor are also handicapped accessible rooms.

After agreement pets are allowed with costs. Behind the building is the parking place of the hotel.

For hotel guests the parking is for free.

In our restaurant are about 45 seats. We organize also parties for you. The team will try to make all your culinary wishes come true. It will be our pleasure to inform you about places of excursions in our sunny area. At the day of arrival our rooms are ready for you from 14 o'clock. And at the day of departure you can use them up to 10 o'clock.
